HELP SPONSOR A SOUTH AFRICAN CHILD THROUGH SCHOOL

Very many youngsters are orphans as a result of AIDS. Our project supports youngsters in schools in Vosloorus, Gauteng – near Johannesburg – by paying for their school fees, books etc. and we need YOUR HELP to do this. Please make our project your project. We have a marvellous opportunity to help the children of Nelson Mandela's rainbow nation who are still struggling to overcome the legacy of apartheid, racism, and AIDS. We are usually able to pass your sponsored student's year end school report to you in late Spring.

A donation of £ 5 per month will provide food for 6 pupils

A donation of £35 will fund one student for one year through school, plus books

PLEASE BE GENEROUS *Education is their lifeline*
