Waltham Forest Thuso in South Africa supports destitute AIDS orphans through secondary school in Gauteng Province, Nr. Johannesburg, South Africa. We also contribute to a feeding programme at the school. Many of the orphaned children live on the wage of the eldest sibling; others live on a grandparent's pension of the kindness of neighbours. Most have no adult in their family and come to school hungry. We run a sponsorship programme for sponsors to pay school fees and fund books and uniforms for an individual, named student. The sponsor receives the student's end of year report and also a letter. We fundraise for the feeding programme by selling plants and bric-a-brac at fairs etc., hosting a garden party and sponsored walks/runs etc.

**PLEASE HELP US FUND THE FEEDING PROGRAMME AT THUTO LESEDI HIGH SCHOOL
